

## How casino coupon codes work?

Casino Coupon Codes Work the following way:

- Visit Winmenot.com
- Select the Casino Bonus you wish to Redeem

### CLICK THE CODE

Click on “Show Code” or “Get Code” as shown below.

The image shows a coupon code offer for Slots of Vegas. At the top is the Slots of Vegas logo. Below it is a green button labeled "SHOW CODE". Underneath the button, the offer is displayed: "190% MATCH BONUS UP TO \$1900 AT SLOTS OF VEGAS CASINO". At the bottom left, there is a clock icon with "55 days" and a coupon icon with "Coupon". At the bottom right is a green button labeled "GET CODE". A red arrow points to the "SHOW CODE" button.

Once you click “Show Code” it will automatically take you to the casino website for more information and also will “Display the Coupon Code” (see picture below) at your selected Casino Bonus offer at WinMeNot.com

### **COPY THE CODE**

We will automatically copy the code for you. A “pop up window” (see picture below) will be displayed on the screen showing you the “Coupon Code”.

Also mentioned below you will find: Code is Copied (which we automatically do for you)

You will find in this “pop up window ” the Bonus offers, Type of bonus, Any condition to redeem the coupon like redeem on Monday or new players Welcome bonus etc, What games you can play; your Deposit and Playthrough and the Number of times you can redeem the coupon.

## REDEEM THE COUPON CODE AT THE CASINO

At the casino website, like here we are taking an example of “Slots of Vegas Casino”.

- Visit the casino website.
- Download the casino installer if you have not done previously.
- Follow the steps as mentioned in the casino of your choice. (See Pictures Below)

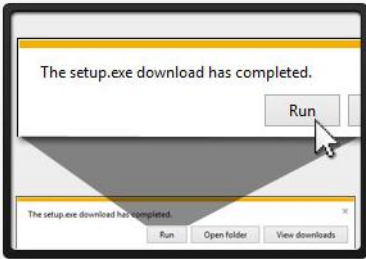

**STEP 1**

First, click on the Download button to install our casino download software on your computer. A File Download – Security Warning pop up will open and it will show three options. Select "Save", or select "Run" and jump to step 3.

**STEP 2**

After download takes place, another window will ask if you want to run this software?. To continue click on "Run". Wait until the automatic installation finishes.

## STEP 3

A system Security Warning window will open. Just click on "Yes" and wait for the setup process to start automatically. To get through the process simply click "Next".

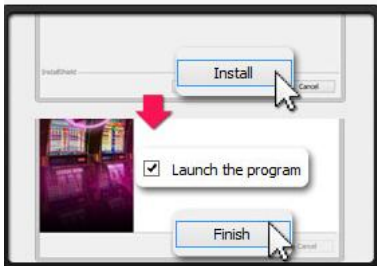

## STEP 4

When you've reached a screen with our Terms & Conditions, read our agreement carefully and check the "I accept" option to continue.

## STEP 5

Then hit "Next" until you reach the "Install" option. Click on it and wait until you get to the "InstallShield Wizard Completed" screen. Hit "Finish" and the casino suite will open.

## STEP 6

If you don't have an account, create one at this point. To play with your existing account just click on "No" when prompted to create a new one. Voila! You're ready to play!

## REGISTER AND DEPOSIT AT THE CASINO

Once casino is installed you have to "Register" at the casino (if earlier you have an account with the casino just log in with your User Name and Password) make your deposit.
